## GLUTEN-FREE PRODUCT INFORMATION

### GREAT NEWS!!!

We have had a loaf of our Gluten-Free Plain Bread tested at the University of Nebraska-Lincoln Food Allergy Research Laboratory. We are happy to report that the loaf tested **below** 5 parts per million of gluten. Therefore, we have earned the right to call our bread "Gluten-Free!"

**WHAT ARE GREAT HARVEST GLUTEN-FREE PRODUCTS? INSTEAD OF WHEAT FLOUR, WE USE SORGHUM FLOUR, BROWN RICE FLOUR, CORNSTARCH FLOUR, TAPIOCA FLOUR AND FLAX MEAL. WE ALSO USE EGGS, YEAST AND DAIRY PRODUCTS.**
